I am a highly motivated high school student who ranks at the top of my class academically. I am seeking this scholarship from the St Agnes/Sacred Heart Scholarship committee to help support my pursuit of a four-year college education at the University of St. Thomas. I have consistently challenged myself through coursework while maintaining excellent academic standing, demonstrating discipline, and a strong commitment to learning.

Beyond the classroom, I am a dedicated student-athlete who understands the value of teamwork, leadership, and perseverance. Balancing athletics with academics has strengthened my time-management skills and taught me how to perform under pressure while remaining focused on long-term goals.

I am also deeply committed to serving my community through volunteer work and service initiatives. Giving back has helped me develop empathy, responsibility, and a desire to create a positive impact on my community. These experiences have shaped me into a well-rounded individual who values hard work, integrity, and service.

Receiving scholarship support would allow me to focus on my academic and personal growth while pursuing higher education. I am eager to continue developing as a leader, scholar, and community member, and to use my education to make a meaningful contribution to society.

Thank you for your consideration,

Timothy Orton
